

ESTOLIGHT – AFTER SUN

Freshness meets lightweight comfort

EstoLight Benefits

Dispersion	Lightness	Comfort
Excellent pigment dispersion, even in dispersed systems	Helps create lightweight formulations with no greasy feel	Support a pleasant, non-tacky skin finish

Performance You can Feel

IMMEDIATE FRESHNESS
Provides a pleasant and refreshing sensation upon application.

LIGHTWEIGHT FEEL
Leaves the skin feeling light and comfortable, with no greasy sensation.

NON-TACKY FINISH
A comfortable after-feel with no sticky sensation.

SUBTLE & EVEN COLOUR
Delivers a delicate, homogeneous touch of colour thanks to the excellent dispersing properties of EstoLight-1AH.
