ESTOLIGHT – SERUM FINISH – HAIR REFLECTION

Silky shine meets lightweight sensory elegance

EstoLight-1AH Benefits

Rheology	Spreadability	Comfort
Optimized rheological profile for elegant, lightweight serum textures and easy formulation	Excellent spreadability for smooth and uniform distribution throughout the hair	Leaves hair soft, light and silky, without greasy buildup or weighing down the fiber

Premium Sensory & Visual Performance

EXCEPTIONAL RHEOLOGICAL BEHAVIOUR
Contributes to the creation of elegant serum textures with smooth flow, easy application and a premium sensory profile.

EFFORTLESS SPREADABILITY
Distributes evenly through the hair fiber, improving glide during application and ensuring homogeneous coverage.

ENHANCED SHINE & RADIANCE
Helps boost hair radiance and shine, contributing to a healthy-looking and polished appearance.

LIGHTWEIGHT NON-GREASY FINISH
Delivers softness, smoothness and frizz control while maintaining a light, non-oily after-feel.

High-Performance Serum Finish

Phase	Ingredient	% w/w
